

Downtown and Neighborhood Planning Workshop

DATE: Tuesday, May 21, 2013

TIME: 6:30 p.m. until about 9 p.m.

LOCATION: 108 S. Main St.

Please join fellow residents, business owners, and city officials to identify what we love about our neighborhoods and to identify the things we want to improve. We will work together to envision a great future for La FERIA's downtown and neighborhoods. Your input is needed.

The meeting will be facilitated by a team of expert city planners from the American Institute of Certified Planners Community Assistance Program.
