SECTION 3: Payment of Certificates - Paying Agent/Registrar. The principal of, premium, if any, and interest on the Certificates, due and payable by reason of Stated Maturity, redemption, or otherwise, shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts, and such payment of principal of and interest on the Certificates shall be without exchange or collection charges to the Holder (as hereinafter defined) of the Certificates.

The Certificates shall bear interest at the per annum rates shown above in Section 2, computed on the basis of a 365-day year, and interest thereon shall be payable semiannually on February 15 and August 15 of each year (the *Interest Payment Date*) commencing February 15, 2013, while the Certificates are Outstanding.

Each of the Certificates shall bear interest on the unpaid principal amount, to the earlier of redemption or Stated Maturity, while Outstanding, from the date of its delivery to the initial purchaser (which date shall be the registration date noted on the Initial Certificate(s) in the Registration Certificate of the Paying Agent/Registrar to appear thereon) or from the latest Interest Payment Date that interest thereon has been paid that precedes the registration date appearing on each Certificate in the Registration Certificate of the Paying Agent/Registrar (see Section 8C hereof), unless the registration date appearing thereon is an Interest Payment Date for which interest is being paid, in which case such Certificate shall bear interest from the registration date appearing thereon, at the per annum rate specified in Section 2 for the Stated Maturity of such Certificate.

The selection and appointment of First National Bank, McAllen, Texas (the *Paying Agent Registrar*) to serve as the initial Paying Agent/Registrar for the Certificates is hereby approved and confirmed, and the City agrees and covenants to cause to be kept and maintained at the

corporate trust office of the Paying Agent/Registrar books and records (the *Security Register*) for the registration, payment and transfer of the Certificates, all as provided herein, in accordance with the terms and provisions of a Paying Agent/Registrar Agreement, attached, in substantially final form, as Exhibit A hereto, and such reasonable rules and regulations as the Paying Agent/Registrar and City may prescribe. The City covenants to maintain and provide a Paying Agent/Registrar at all times while the Certificates are Outstanding, and any successor Paying Agent/Registrar shall be (i) a national or state banking institution or (ii) an association or a corporation organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers. Such Paying Agent/Registrar shall be subject to supervision or examination by federal or state authority and authorized by law to serve as a Paying Agent/Registrar.

The City reserves the right to appoint a successor Paying Agent/Registrar upon providing the previous Paying Agent/Registrar with a certified copy of a resolution or ordinance terminating such agency. Additionally, the City agrees to promptly cause a written notice of this substitution to be sent to each Holder of the Certificates by United States mail, first-class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

Both principal of, premium, if any, and interest on the Certificates, due and payable by reason of Stated Maturity, redemption, or otherwise, shall be payable only to the registered owner of the Certificates appearing on the Security Register (the *Holder* or *Holder*s) maintained on behalf of the City by the Paying Agent/Registrar as hereinafter provided (i) on the Record Date (hereinafter defined) for purposes of payment of interest thereon, (ii) on the date of surrender of the Certificates for purposes of receiving payment of principal thereof upon redemption of the Certificates or at the Certificates' Stated Maturity, and (iii) on any other date for any other purpose. The City and the Paying Agent/Registrar, and any agent of either, shall treat the Holder as the owner of a Certificate for purposes of receiving payment and all other purposes whatsoever, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary.

Subject to the provisions of Section 47 hereof, principal of and premium, if any, on the Certificates shall be payable only upon presentation and surrender of the Certificates to the Paying Agent/Registrar at its corporate trust office; provided, however, with respect to the principal payments prior to the final Stated Maturity, the Certificates need not be surrendered to the Paying Agent/Registrar, who will merely document this payment on an internal ledger maintained by the Paying Agent/Registrar. Interest on the Certificates shall be paid to the Holder whose name appears in the Security Register at the close of business on the last business day of the month next preceding an Interest Payment Date for the Certificates (the *Record Date*) and shall be paid (i) by check sent by United States mail, first-class postage prepaid, by the Paying Agent/Registrar, to the address of the Holder appearing in the Security Register or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested in writing by the Holder at the Holder's risk and expense.

Notwithstanding the above, for so long as the Certificates are held by the United States of America, the City shall make payments directly to the Holder's local servicing office currently located in Edinburg, Texas and not through the Paying Agent/Registrar.

If the date for the payment of the principal of, premium, if any, or interest on the Certificates shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the corporate trust office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a day. The payment on such date shall have the same force and effect as if made on the original date any such payment on the Certificates was due.

In the event of a non-payment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a *Special Record Date*) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the *Special Payment Date* - which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

#### SECTION 4: Redemption.

A. Optional Redemption. The Certificates having Stated Maturities on and after February 15, 2013 shall be subject to redemption prior to Stated Maturity, at the option of the City, on February 15, 2012, or on any date thereafter, as a whole or in part, in principal amounts of \$1,000 or any integral multiple thereof (and if within a Stated Maturity selected at random and by lot by the Paying Agent/Registrar), at the redemption price of par plus accrued interest to the date of redemption.

PROVIDED, HOWEVER, that Certificates owned and held by the United States of America shall be subject to early redemption on any date, in whole or in part, in inverse order of Stated Maturity, at the redemption price of par and accrued interest to the date of redemption.

B. Exercise of Redemption Option. At least forty-five (45) days prior to a date set for the redemption of Certificates, the City shall notify the Paying Agent/Registrar and the Purchasers directly (hereinafter defined) of its decision to exercise the right to redeem Certificates, the principal amount of each Stated Maturity to be redeemed, and the date set for the redemption thereof. The decision of the City to exercise the right to redeem Certificates shall be entered in the minutes of the governing body of the City.

C. Selection of Certificates for Redemption. If less than all Outstanding Certificates of the same Stated Maturity are to be redeemed on a redemption date, the Paying Agent/Registrar shall select at random and by lot the Certificates to be redeemed, provided that if less than the entire principal amount of a Certificate is to be redeemed, the Paying Agent/Registrar shall treat such Certificate then subject to redemption as representing the number of Certificates Outstanding which is obtained by dividing the principal amount of such Certificate by \$1,000.

D. Notice of Redemption. Not less than (i) forty-five (45) days while the Purchasers are the Holders of the Certificates and (ii) not less than thirty (30) days when the Purchasers are not the Holders, prior to a redemption date for the Certificates, a notice of redemption shall be

sent by United States mail, first-class postage prepaid, in the name of the City and at the City's expense, by the Paying Agent/Registrar to each Holder of a Certificate to be redeemed, in whole or in part, at the address of the Holder appearing on the Security Register at the close of business on the business day next preceding the date of mailing such notice, and any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Holder.

All notices of redemption shall (i) specify the date of redemption for the Certificates, (ii) identify the Certificates to be redeemed and, in the case of a portion of the principal amount to be redeemed, the principal amount thereof to be redeemed, (iii) state the redemption price, (iv) state that the Certificates, or the portion of the principal amount thereof to be redeemed, shall become due and payable on the redemption date specified, and the interest thereon, or on the portion of the principal amount thereof to be redeemed, shall cease to accrue from and after the redemption date, and (v) specify that payment of the redemption price for the Certificates, or the principal amount thereof to be redeemed, shall be made at the corporate trust office of the Paying Agent/Registrar only upon presentation and surrender thereof by the Holder. This notice may also be published once in a financial publication, journal, or reporter of general circulation among securities dealers in the City of New York, New York (including, but not limited to, *The Bond Buyer* and *The Wall Street Journal*), or in the State of Texas (including, but not limited to, *The Texas Bond Reporter*). Additionally, this notice may also be sent by the City to any registered securities depository and to any national information service that disseminates redemption notices.

If a Certificate is subject by its terms to redemption and has been called for redemption and notice of redemption thereof has been duly given or waived as herein provided, such Certificate (or the principal amount thereof to be redeemed) so called for redemption shall become due and payable, and if money sufficient for the payment of such Certificates (or of the principal amount thereof to be redeemed) at the then applicable redemption price is held for the purpose of such payment by the Paying Agent/Registrar, then on the redemption date designated in such notice, interest on said Certificates (or the principal amount thereof to be redeemed) called for redemption shall cease to accrue and such Certificates shall not be deemed to be Outstanding in accordance with the provisions of this Ordinance.

E. Transfer/Exchange of Certificates. Neither the City nor the Paying Agent/Registrar shall be required (1) to transfer or exchange any Certificate during a period beginning forty-five (45) days prior to the date fixed for redemption of the Certificates or (2) to transfer or exchange any Certificate selected for redemption, provided, however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance of a Certificate which is subject to redemption in part.

SECTION 5: Execution - Registration. The Certificates shall be executed on behalf of the City by its Mayor Pro Tem under its seal reproduced or impressed thereon and attested by its City Secretary. The signature of either of said officers on the Certificates may be manual or facsimile. Certificates bearing the manual or facsimile signatures of individuals who were, at the time of the Certificate Date, the proper officers of the City shall bind the City, notwithstanding that such individuals or either of them shall cease to hold such offices prior to the delivery of the

Certificates to the Purchasers (hereinafter defined), all as authorized and provided in Chapter 1201 and Chapter 1206, as amended, Texas Government Code.

No Certificate shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Certificate either a certificate of registration substantially in the form provided in Section 8C, executed by the Comptroller of Public Accounts of the State of Texas or his duly authorized agent by manual signature, or a certificate of registration substantially in the form provided in Section 8D, executed by the Paying Agent/Registrar by manual signature, and either such certificate upon any Certificate shall be conclusive evidence, and the only evidence, that such Certificate has been duly certified or registered and delivered.

Notwithstanding the above and foregoing paragraph, the Initial Certificates authorized for delivery to the initial purchasers in Section 7 hereof shall have printed thereon both Certificates of Registration appearing in Section 8C and 8D hereof, and both such certifications shall be required to be manually executed in connection with the delivery of the Initial Certificates to the initial purchaser and both such certificates appearing on such Initial Certificates, duly signed, shall be conclusive evidence that such Initial Certificates have been duly certified, registered and delivered.

SECTION 6: Registration - Transfer - Exchange of Certificates - Predecessor Certificates. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of every owner of the Certificates, or if appropriate, the nominee thereof. Certificates in aggregate denominations of \$100,000 or more may, in accordance with its terms and the terms hereof, be transferred or exchanged for Certificates of other authorized denominations upon the Security Register by the Holder, in person or by his duly authorized agent, upon surrender of such Certificate to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender for transfer of any Certificate at the corporate trust office of the Paying Agent/Registrar, the City shall execute and the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Certificates of authorized denomination and having the same Stated Maturity and of a like interest rate and aggregate principal amount as the Certificate or Certificates surrendered for transfer.

At the option of the Holder, Certificates may be exchanged for other Certificates of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Certificates surrendered for exchange upon surrender of the Certificates to be exchanged at the corporate trust office of the Paying Agent/Registrar. Whenever any Certificates are so surrendered for exchange, the City shall execute, and the Paying Agent/Registrar shall register and deliver, the Certificates to the Holder requesting the exchange.

All Certificates issued upon any transfer or exchange of Certificates shall be delivered at the corporate trust office of the Paying Agent/Registrar, or be sent by registered mail to the Holder at his request, risk, and expense, and upon the delivery thereof, the same shall be the

valid and binding obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under this Ordinance, as the Certificates surrendered upon such transfer or exchange.

All transfers or exchanges of Certificates pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment, to the extent permitted by law, by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Certificates canceled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be Predecessor Certificates, evidencing all or a portion, as the case may be, of the same debt evidenced by the new Certificate or Certificates registered and delivered in the exchange or transfer therefor. Additionally, the term Predecessor Certificates shall include any Certificate registered and delivered pursuant to Section 26 in lieu of a mutilated, lost, destroyed, or stolen Certificate which shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Certificate.

**SECTION 7: Initial Certificate(s).** The Certificates herein authorized shall be issued initially either (i) as a single fully registered Certificate in the total principal amount of \$379,000 with principal installments to become due and payable as provided in Section 2 and numbered T-1, or (ii) as one (1) fully registered Certificate for each year of Stated Maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (the *Initial Certificate(s)*) and, in either case, the Initial Certificate(s) shall be registered in the name of the Purchasers or the designee thereof. The Initial Certificate(s) shall be the Certificates submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the Purchasers. Any time after the delivery of the Initial Certificate(s), the Paying Agent/Registrar shall cancel the Initial Certificate(s) delivered hereunder and exchange therefor definitive Certificates of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates and shall be lettered "R" and numbered consecutively from one (1) upward for transfer and delivery to the Holders named at the addresses identified therefor; all pursuant to and in accordance with such written instructions from the Purchasers, or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require. It is anticipated that the definitive Certificates will be delivered in installments as recognized in the provisions of Section 48 of this Ordinance. As installment deliveries of the Certificates are made to the Purchasers, the Escrow Agent, pursuant to written instructions from the City, or the designee thereof, and in accordance with the Escrow Agreement shall cancel Initial Certificate(s) and deliver in exchange therefor definitive Certificates of like principal amount and maturity, in authorized denominations and bearing applicable interest rates to the Purchasers, all pursuant to and in accordance with the Escrow Agreement, written instructions from the Purchasers and the City, or the designees thereof, and such other information and documentation as the Escrow Agent may reasonably require.

SECTION 8: FORMS.

A. Forms Generally. The Certificates, the Registration Certificate of Comptroller of Public Accounts of the State of Texas, the Registration Certificate of Paying Agent/Registrar, and the form of Assignment, Ledger, Prepayment Ledger, and Principal Advancement Ledger, to be printed on each of the Certificates shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Ordinance and may have such letters, numbers, or other marks of identification (including insurance legends in the event the Certificates, or any Stated Maturities thereof, are insured and identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including any reproduction of an opinion of counsel) thereon as may, consistent herewith, be established by the City or determined by the officers executing the Certificates as evidenced by their execution thereof. Any portion of the text of any Certificate may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Certificate.

The definitive Certificates shall be printed, lithographed, or engraved, produced by any combination of these methods, or produced in any other similar manner, all as determined by the officers executing the Certificates as evidenced by their execution thereof, but the Initial Certificate(s) submitted to the Attorney General of Texas may be typewritten or photocopied or otherwise reproduced.

The City of La Feria, Texas (the *City*), a body corporate and municipal corporation in the County of Cameron, State of Texas, for value received, acknowledges itself indebted to and hereby promises to pay to the order of the Registered Owner specified above, or the registered assigns thereof, on the Stated Maturity date specified above, the Principal Amount specified above (or so much thereof as shall not have been paid upon prior redemption) and to pay interest on the unpaid Principal Amount hereof (computed on the basis of a 365-day year) from the Registration Date noted on the Registration Certificate of the Paying Agent/Registrar while this Certificate is held by the initial purchaser, otherwise, from the interest payment date next preceding the Registration Date noted on the Registration Certificate of the Paying Agent/Registrar [unless this Certificate bears a Registration Date as of an interest payment date, in which case it shall bear interest from such date and except for the initial interest payment when this Certificate shall bear interest from its date of delivery (or the date of delivery of its Predecessor Certificate)], at the per annum rate specified above; such interest being payable semiannually on February 15 and August 15 of each year, commencing February 15, 2013.

Subject to the provisions of Section 47 of the Ordinance, principal of this Certificate shall be payable to the Registered Owner hereof (the *Holder*), upon presentation and surrender (provided, however, with respect to principal payments prior to the final Stated Maturity, the Certificates need not be surrendered to the Paying Agent/Registrar, who will merely document this payment on an internal ledger maintained by the Paying Agent/Registrar), at the corporate trust office of the Paying Agent/Registrar executing the registration certificate appearing hereon or a successor thereof. Interest shall be payable to the Holder of this Certificate (or one or more Predecessor Certificates, as defined in the Ordinance hereinafter referenced) whose name appears on the Security Register maintained by the Paying Agent/Registrar at the close of business on the Record Date, which is the last business day of the month next preceding each interest payment date. All payments of principal of and interest on this Certificate shall be in any coin or currency of the United States of America which at the time of payment is legal tender for

the payment of public and private debts. Interest shall be paid by the Paying Agent/Registrar by check sent on or prior to the appropriate date of payment by United States mail, first-class postage prepaid, to the Holder hereof at the address appearing in the Security Register or by such other method, acceptable to the Paying Agent/Registrar, requested by the Holder hereof at the Holder's risk and expense.

Notwithstanding the above, for so long as the Certificates are held by the United States of America, the City shall make payments directly to the Holder's local servicing office currently located in Edinburg, Texas and not through the Paying Agent/Registrar.

This Certificate is one of the series specified in its title issued in the aggregate principal amount of \$379,000 (the *Certificates*) pursuant to an Ordinance adopted by the governing body of the City (the *Ordinance*), for the purpose of paying contractual obligations of the City to be incurred for making permanent public improvements and for other public purposes, to-wit: (1) acquire, construct, improve, renovate, and equip the library system, including a new computer research and learning laboratory and meeting space; (2) the purchase of materials, supplies, equipment, land, and rights-of-way for authorized needs and purposes relating to the library system improvements, and (3) the payment of professional services related to the design, construction, and financing of the aforementioned projects, under and in strict conformity with the laws of the State of Texas, particularly Chapter 1502, as amended, Texas Government Code and the Certificate of Obligation Act of 1971, as amended, Texas Local Government Code, Section 271.041 through 271.065.

The Certificates stated to mature on and after February 15, 2013 may be redeemed prior to their Stated Maturities, at the option of the City, on February 15, 2012, or on any date thereafter, in whole or in part in principal amounts of \$1,000 or any integral multiple thereof (and if within a Stated Maturity selected at random and by lot by the Paying Agent/Registrar) at the redemption price of par plus accrued interest to the date of redemption; provided, however, that at least thirty (30) days prior written notice (and while the Purchasers are the Holder, the City must directly provide 45 days advance notice of any redemption to the Purchasers) shall be sent to the Holder of the Certificates to be redeemed by United States mail, first-class postage prepaid, and subject to the terms and provisions relating thereto contained in the Ordinance. If this Certificate is subject to redemption prior to Stated Maturity and is in a denomination in excess of \$1,000, or any integral multiple thereof may be redeemed, and, if less than all of the principal sum hereof is to be redeemed, there shall be issued, without charge therefor, to the Holder hereof, upon the surrender of this Certificate to the Paying Agent/Registrar at its corporate trust office, a new Certificate or Certificates of like Stated Maturity and interest rate in any authorized denominations provided in the Ordinance for the then unredeemed balance of the principal sum hereof.

PROVIDED, HOWEVER, that Certificates registered in the name of the initial purchaser shall be subject to early redemption on any date, in whole or in part, in inverse order of Stated Maturity, at the redemption price of par and accrued interest to the date of redemption.

If this Certificate (or any portion of the principal sum hereof) shall have been duly called for redemption and notice of such redemption duly given, then upon such redemption date this Certificate (or the portion of the principal sum hereof to be redeemed) shall become due and

payable, and, if the money for the payment of the redemption price and the interest accrued on the principal amount to be redeemed to the date of redemption is held for the purpose of such payment by the Paying Agent/Registrar, interest shall cease to accrue and be payable hereon from and after the redemption date on the principal amount hereof to be redeemed. If this Certificate is called for redemption, in whole or in part, the City or the Paying Agent/Registrar shall not be required to issue, transfer, or exchange this Certificate within forty-five (45) days of the date fixed for redemption; provided, however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance hereof in the event of its redemption in part.

The Certificates of this series are payable from the proceeds of an ad valorem tax levied upon all taxable property within the City, within the limitations prescribed by law, and are further payable from and secured by a lien on and pledge of the Pledged Revenues (identified and defined in the Ordinance), being a limited amount of the Net Revenues derived from the operation of the City's combined utility system (the *System*), such lien on and pledge of the limited amount of Net Revenues being subordinate and inferior to the lien on and pledge of such Net Revenues securing payment of the currently outstanding Prior Lien Obligations, and any Additional Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations hereafter issued by the City. The City has previously authorized the issuance of the currently outstanding Limited Pledge Obligations (identified and defined in the Ordinance) that are payable, in part, from and secured by a lien on and pledge of a limited amount of the Net Revenues of the System in the manner and as described in the ordinances authorizing the issuance of the currently outstanding Limited Pledge Obligations. In the Ordinance, the City reserves and retains the right to issue Additional Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations, and Additional Limited Pledge Obligations (all as identified and defined in the Ordinance), while the Certificates are Outstanding, without limitation as to principal amount but subject to any terms, conditions or restrictions as may be applicable thereto under law or otherwise.

Reference is hereby made to the Ordinance, copies of which are on file in the corporate trust office of the Paying Agent/Registrar, and to all of the provisions of which the Holder by his acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the tax levied and the revenues pledged for the payment of the Certificates; the terms and conditions under which the City may issue any Additional Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations, and Additional Limited Pledge Obligations; the terms and conditions relating to the transfer or exchange of the Certificates; the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the Holder; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which this Certificate may be redeemed or discharged at or prior to the Stated Maturity thereof, and deemed to be no longer Outstanding thereunder; and for the other terms and provisions specified in the Ordinance. Capitalized terms used herein have the same meanings assigned in the Ordinance.

This Certificate, subject to certain limitations contained in the Ordinance, may be transferred on the Security Register upon presentation and surrender at the corporate trust office of the Paying Agent/Registrar, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by the Holder hereof,

or his duly authorized agent, and thereupon one or more new fully registered Certificates of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, shall treat the Holder hereof whose name appears on the Security Register (i) on the Record Date as the owner hereof for purposes of receiving payment of interest hereon, (ii) on the date of surrender of this Certificate as the owner hereof for purposes of receiving payment of principal hereof at its Stated Maturity or its redemption, in whole or in part, and (iii) on any other date as the owner hereof for all other purposes, and neither the City nor the Paying Agent/Registrar, or any such agent of either, shall be affected by notice to the contrary. For the purpose of paying the interest on and to provide a sinking fund for the payment, redemption, and retirement of the Certificates, there shall be and is hereby created a special fund to be designated "COMBINATION TAX AND LIMITED PLEDGE REVENUE CERTIFICATES OF OBLIGATION, SERIES 2012A, INTEREST AND SINKING FUND" (the *Certificate Fund*), which fund shall be kept and maintained at the Depository, and money deposited in such fund shall be used for no other purpose and shall be maintained as provided in Section 28. Notwithstanding the foregoing and to the extent permitted by law, while the Certificates are held by the United States of America any funds invested pursuant to the provisions of this Ordinance shall only be invested in Government Securities.

SECTION 11: Tax Levy. To provide for the payment of the Debt Service Requirements on the Certificates being (i) the interest on the Certificates and (ii) a sinking fund for their redemption at Stated Maturity or a sinking fund of 2% (whichever amount shall be the greater), there shall be and there is hereby levied for the current year and each succeeding year thereafter while the Certificates or any interest thereon shall remain Outstanding, a sufficient tax, within the limitations prescribed by law, on each one hundred dollars valuation of taxable property in the City, adequate to pay such Debt Service Requirements, full allowance being made for delinquencies and costs of collection; said tax shall be assessed and collected each year and applied to the payment of the Debt Service Requirements, and the same shall not be diverted to any other purpose. The taxes so levied and collected shall be paid into the Certificate Fund. The City Commission hereby declares its purpose and intent to provide and levy a tax legally and fully sufficient to pay the said Debt Service Requirements, it having been determined that the existing and available taxing authority of the City for such purpose is adequate to permit a legally sufficient tax in consideration of all other outstanding indebtedness.

The amount of taxes to be provided annually for the payment of the principal of and interest on the Certificates shall be determined and accomplished in the following manner:

A. Prior to the date the City Commission establishes the annual tax rate and passes an ordinance levying ad valorem taxes each year, the City Commission shall determine:

(1) the amount of Debt Service Requirements to become due and payable on the Certificates between the Collection Date for the taxes then to be levied and the Collection Date for the taxes to be levied during the next succeeding calendar year;

(2) the amount on deposit in the Certificate Fund after (a) deducting therefrom the total amount of Debt Service Requirements to become due on the Certificates prior to the Collection Date for the ad valorem taxes to be levied and (b) adding thereto the amount of the Pledged Revenues, if any, to be appropriated and allocated during such

year to pay such Debt Service Requirements, if any, prior to the Collection Date for the ad valorem taxes to be levied; and

(3) the amount of Pledged Revenues, if any, to be appropriated and to be set aside for the payment of the Debt Service Requirements on the Certificates between the Collection Date for the taxes then to be levied and the Collection Date for the taxes to be levied during the next succeeding Fiscal Year.

B. The amount of taxes to be levied annually each year to pay the Debt Service Requirements on the Certificates shall be the amount established in paragraph (1) above less the sum total of the amounts established in paragraphs (2) and (3), after taking into consideration delinquencies and costs of collecting such annual taxes.

SECTION 12: Pledge of Pledged Revenues. A. The City hereby covenants and agrees that, subject to (i) any prior lien on and pledge of the Net Revenues of the System to the payment and security of the currently outstanding Prior Lien Obligations, and any Additional Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations hereafter issued by the City and (ii) the lien on and pledge of a limited amount of the Net Revenues to the payment and security of the currently outstanding Limited Pledge Obligations, the Pledged Revenues are hereby irrevocably pledged to the payment of the principal of and interest on the Certificates and the pledge of Pledged Revenues herein made for the payment of the Certificates shall constitute a lien on the Pledged Revenues in accordance with the terms and provisions hereof and be valid and binding without any physical delivery thereof or further act by the City.

B. Chapter 1208, Texas Government Code, applies to the issuance of the Certificates and the pledge of Net Revenues granted by the City under subsection (a) of this Section, and such pledge is therefore valid, effective, and perfected. If Texas law is amended at anytime while the Certificates are outstanding and unpaid such that the pledge of the Pledged Revenues granted by the City is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then in order to preserve to the registered owners of the Certificates the perfection of the security interest in this pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business & Commerce Code and enable a filing to perfect the security interest in this pledge to occur.

SECTION 13: System Fund. The City hereby covenants and agrees that all Gross Revenues derived from the operation of the System shall be kept separate and apart from all other funds, accounts and money of the City and shall be deposited as collected into the "CITY OF LA FERIA, TEXAS UTILITY SYSTEM FUND" (the *System Fund*). All money deposited in the System Fund shall be pledged and appropriated to the extent required for the following purposes and in the order of priority shown:

•First: To the payment of the reasonable and proper Maintenance and Operating Expenses of the System required by statute or ordinances authorizing the issuance of any indebtedness of the City to be a first charge on and claim against the Gross Revenues of the System; and

•Second: To the payment of the amounts that must be deposited in the special funds and accounts created and established for the payment, security, and benefit of the currently outstanding Prior Lien Obligations and any Additional Prior Lien Obligations hereafter issued by the City; and

•Third: To the payment of the amounts that must be deposited in the special funds and accounts created and established for the payment, security, and benefit of any Junior Lien Obligations hereafter issued by the City; and

•Fourth: To the payment of the amounts that must be deposited in the special funds and accounts created and established for the payment, security, and benefit of any Subordinate Lien Obligations hereafter issued by the City; and

•Fifth: To the payment of the amounts that must be deposited in the special funds and accounts created and established for the payment, security, and benefit of the currently outstanding Limited Pledge Obligations, the Certificates, or any Additional Limited Pledge Obligations hereafter issued by the City; and

•Sixth: To the payment of the amounts that must be deposited in the Repair and Replacement Account as provided in Section 18 of this Ordinance.

Any Net Revenues remaining in the System Fund after satisfying the foregoing payments, or making adequate and sufficient provision for the payment, security and benefit thereof, may be appropriated and used for any other City purpose now or hereafter permitted by law and in accordance with the provisions of a Loan Resolution (Public Bodies) previously adopted by the City for the benefit of the United States of America.

SECTION 14: Deposits to Certificate Fund - Excess Certificate Proceeds. The City hereby covenants and agrees to cause to be deposited in the Certificate Fund prior to a principal and interest payment date for the Certificates, from the Net Revenues in the System Fund, after the deduction of all payments required to be made to the special funds or accounts created for the payment, security, and benefit of (i) the currently outstanding Prior Lien Obligations, and any Additional Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations hereafter issued by the City and (ii) the currently outstanding Limited Pledge Obligations, any amounts budgeted to be paid therefrom in such Fiscal Year.

Accrued interest, if any, received from the Purchasers of the Certificates shall be deposited to the Certificate Fund and ad valorem taxes levied and collected for the benefit of the Certificates shall be deposited to the Certificate Fund. Subject to the provisions of 7 C.F.R. §1780.45(f), any surplus proceeds, including investment income thereon, from the sale of the Certificates not expended for authorized purposes shall be deposited in the Certificate Fund, and such amounts so deposited shall reduce the sums otherwise required to be deposited in said fund from ad valorem taxes.

SECTION 15: Security of Funds. All money on deposit in the funds for which this Ordinance makes provision (except any portion thereof as may be at any time properly invested as provided herein) shall be secured in the manner and to the fullest extent required by the laws

of Texas for the security of public funds and the Loan Resolution and the Letter of Conditions executed between the United States of America and the City relating to the Certificates, and money on deposit in such funds shall be used only for the purposes permitted by this Ordinance.

SECTION 16: Maintenance of System - Insurance. The City covenants and agrees that while the Certificates remain Outstanding it will maintain and operate the System with all possible efficiency and maintain casualty and other insurance (including a system of self-insurance) on the properties of the System and its operations of a kind and in such amounts customarily carried by municipal corporations in the State of Texas engaged in a similar type of business (which may include an adequate program of self insurance) all in accordance with the commitment letter between the City and the United States of America; and that it will faithfully and punctually perform all duties with reference to the System required by the laws of the State of Texas. All money received from losses under such insurance policies, other than public liability policies, are held for the benefit of the holders of the Certificates, until and unless the proceeds are paid out in making good the loss or damage in respect of which such proceeds are received, either by replacing the property destroyed or repairing the property damaged, and adequate provision for making good such loss or damage must be made within ninety (90) days after the date of loss. The payment of premiums for all insurance policies required under the provisions hereof shall be considered Maintenance and Operating Expenses. Nothing in this Ordinance shall be construed as requiring the City to expend any funds which are derived from sources other than the operation of the System but nothing herein shall be construed as preventing the City from doing so.

SECTION 17: Rates and Charges. The City hereby covenants and agrees with the Holders of the Certificates that rates and charges for utility services afforded by the System will be established and maintained to provide Gross Revenues sufficient at all times:

A. to pay all operating, maintenance, depreciation, replacement, betterment, and other costs incurred in the maintenance and operation of the System, including, but not limited to, Maintenance and Operating Expenses;

B. to produce Net Revenues sufficient, together with any other lawfully available funds, to pay (i) the interest on and principal of the currently outstanding Prior Lien Obligations and any Additional Prior Lien Obligations hereafter issued by the City as the same becomes due and payable and the amounts required to be deposited in any special fund created and established for the payment, security, and benefit thereof, (ii) the interest on and principal of any Junior Lien Obligations hereafter issued by the City as the same becomes due and payable and the amounts required to be deposited in any special Fund created and established for the payment, security, and benefit thereof; (iii) the interest on and principal of any Subordinate Lien Obligations hereafter issued by the City as the same becomes due and payable and the amounts required to be deposited in any special Fund created and established for the payment, security, and benefit thereof; (iv) the amounts that may be deposited in the special funds established for the payment of the currently outstanding Limited Pledge Obligations; (v) the interest on and principal of the Certificates and any Additional Limited Pledge Obligations hereafter issued by the City as the same becomes due and payable and the amounts required to be deposited in any special fund created and established for the payment, security, and benefit thereof, and (vi) the amounts that are required to be deposited to the Repair and Replacement Account; and

C. to pay other legally incurred indebtedness payable from the Net Revenues of the System and/or secured by a lien on the System or the Net Revenues thereof.

SECTION 18: Repair and Replacement Account. The City hereby creates and establishes and covenants to maintain a special fund or account to be known as the "City of La Feria, Texas Utility System Repair and Replacement Account" (the *Repair and Replacement Account*) and the Repair and Replacement Account shall be maintained at the Depository. Money on deposit in the Repair and Replacement Account shall be used for meeting contingencies of any nature in connection with the operations, maintenance, improvement, replacement, or relocation of properties constituting the System including, but not limited to, the replacement of any equipment relating to the System, as may be determined from time to time by the City Commission.

The City covenants that the Net Revenues of the System, after making the payments as required by the provisions of Section 13 of the Ordinance, should be paid into the Repair and Replacement Account in an annual sum equal to \$\_\_\_\_\_. The first annual payment shall be made on or before February 15, 2013 and on each annual anniversary thereof until the amount on deposit in the Repair and Replacement Account equals or exceeds \$\_\_\_\_\_ (the *Required Amount*).

When and so long as the cash and investments in the Repair and Replacement Account equal the Required Amount, no deposits need be made to the credit of the Repair and Replacement Account; but, if and when the Repair and Replacement Account at any time contains less than the Required Amount, the City covenants and agrees to cure the deficiency in the Required Amount by resuming monthly deposits to said Fund from the Net Revenues of the System, or any other lawfully available funds, such monthly deposits to be in amounts equal to not less than 1/60th of the Required Amount covenanted by the City to be maintained in the Repair and Replacement Account with any such deficiency payments being made on or before the tenth day of each month until the Required Amount has been fully restored. The City further covenants and agrees that, subject only to the prior payments to be made to the Certificate Fund and as required by the ordinances authorizing the issuance of any Prior Lien Obligations or Junior Lien Obligations hereafter issued, the Net Revenues shall be applied and appropriated and used to establish and maintain the Required Amount and to cure any deficiency in such amounts as required by the terms of this Ordinance and any other ordinance pertaining to the issuance of any Additional Limited Pledge Obligations.

During such time as the Repair and Replacement Account contains the Required Amount, the City may, at its option, withdraw all surplus funds in the Repair and Replacement Account in excess of the Required Amount and deposit such surplus in the Certificate Fund.

SECTION 19: Records and Accounts - Annual Audit. The City further covenants and agrees that so long as any of the Certificates remain Outstanding it will keep and maintain separate and complete records and accounts pertaining to the operations of the System in which complete and correct entries shall be made of all transactions relating thereto, as provided by Chapter 1502, as amended, Texas Government Code, or other applicable law, including the requirements contained in the commitment letter between the City and the United States of America relating to the issuance of the Certificates. The Holders of the Certificates or any duly

authorized agent or agents of the Holders shall have the right to inspect the System and all properties comprising the same. The City further agrees that, following the close of each Fiscal Year, it will cause an audit of such books and accounts to be made by an independent firm of certified public accountants. Copies of each annual audit shall be furnished, within 150 days of the close of each Fiscal Year, to the Executive Director of the Municipal Advisory Council of Texas at her office in Austin, Texas, to the Purchasers of the Certificates, and, upon written request, any subsequent holder thereof. Expenses incurred in making the annual audit of the operations of the System are to be regarded as Maintenance and Operating Expenses.

SECTION 20: Remedies in Event of Default. In addition to all the rights and remedies provided by the laws of the State of Texas, the City covenants and agrees particularly that in the event the City (a) defaults in the payments to be made to the Certificate Fund, or (b) defaults in the observance or performance of any other of the covenants, conditions, or obligations set forth in this Ordinance, the Holders of any of the Certificates shall be entitled to seek a writ of mandamus issued by a court of proper jurisdiction compelling and requiring the governing body of the City and other officers of the City to observe and perform any covenant, condition, or obligation prescribed in this Ordinance.

No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient. The specific remedies herein provided shall be cumulative of all other existing remedies and the specification of such remedies shall not be deemed to be exclusive.

SECTION 21: Issuance of Additional Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations, and Additional Limited Pledge Obligations. The City hereby expressly reserves the right to hereafter issue bonds, notes, warrants, certificates of obligation, or similar obligations, payable, wholly or in part, as appropriate, from and secured by a pledge of and lien on the Net Revenues of the System with the following priorities, without limitation as to principal amount, but subject to any terms, conditions, or restrictions applicable thereto under existing ordinances, laws, or otherwise; provided however, to the extent permitted by law, and while the United States of America is the Holder of the Certificates, the City shall not issue any Prior Lien Obligations or Junior Lien Obligations without the prior written consent of the United States of America:

A. Additional Prior Lien Obligations payable from and equally and ratably secured by a prior and first lien on and pledge of the Net Revenues of the System.

B. Junior Lien Obligations payable from and equally and ratably secured by a lien on and pledge of the Net Revenues that is junior and inferior to the lien on and pledge thereof securing the payment of the currently outstanding Prior Lien Obligations and any Additional Prior Lien Obligations hereafter issued by the City, but prior and superior to the lien on and pledge of the Net Revenues securing, in part, the payment of the currently outstanding Limited Pledge Obligations and the Certificates and any Subordinate Lien Obligations or Additional Limited Pledge Obligations hereafter issued by the City.

C. Subordinate Lien Obligations payable from and equally and ratably secured by a lien on and pledge of the Net Revenues that is subordinate and inferior to the lien on and pledge thereof securing the payment of the currently outstanding Prior Lien Obligations, and any Additional Prior Lien Obligations or Junior Lien Obligations hereafter issued by the City, but prior and superior to the lien on and pledge of the Net Revenues securing, in part, the payment of the currently outstanding Limited Pledge Obligations, the Certificates, and any Additional Limited Pledge Obligations hereafter issued by the City.

D. Additional Limited Pledge Obligations that are payable from and equally and ratably secured, in whole or in part, by a lien on and pledge of the Net Revenues of the System that is subordinate and inferior to the lien on and pledge thereof securing the payment of any Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations hereafter issued by the City.

Additional Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations, if issued, may be payable, in whole or in part, from Net Revenues (without impairment of the obligation of contract with the holders of the currently outstanding Limited Pledge Obligations and the Certificates) upon such terms and conditions as the City Commission may determine. Additional Limited Pledge Obligations, if issued and payable, in whole or in part, from Pledged Revenues (defined in the same or similar terms as provided in Section 9 of this Ordinance or in the ordinances authorizing the issuance of the Limited Pledge Obligations), shall not in any event be construed to be payable from the Pledged Revenues authorized by this Ordinance or in the ordinances authorizing the issuance of the Limited Pledge Obligations to be budgeted and appropriated for the payment of the Certificates or the ordinances authorizing the issuance of the currently outstanding Limited Pledge Obligations, as appropriate. However, the lien on and pledge of the limited amount of Net Revenues securing, in part, the payment of any Additional Limited Pledge Obligations shall be subordinate and inferior to the pledge of and lien on the Net Revenues securing the payment of the currently outstanding Prior Lien Obligations, and any Additional Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations hereafter issued by the City.

SECTION 22: Special Covenants. The City hereby further covenants that:

A. it has the lawful power to pledge the Net Revenues supporting the Certificates and has lawfully exercised said powers under the laws of the State of Texas, including power existing under Chapter 1502, as amended, Texas Government Code, Texas Local Government Code, Section 271.041 through Section 271.065;

B. other than for the payment of the currently outstanding Prior Lien Obligations and Limited Pledge Obligations and the Certificates, the Net Revenues of the System have not in any manner been pledged to the payment of any debt or obligation of the City or of the System;

C. as long as any Certificates or any interest thereon remain Outstanding, the City will not sell, lease or encumber (except in the manner provided in Section 21 of this Ordinance) the System or any substantial part thereof, provided that this covenant shall not be construed to prohibit the sale of such machinery, or other properties or equipment which has become obsolete or otherwise unsuited to the efficient operation of the System;

D. no free service of the System shall be allowed, and should the City or any of its agents or instrumentalities make use of the services and facilities of the System, payment of the reasonable value thereof shall be made by the City out of funds from sources other than the revenues and income of the System;

E. to the extent that it legally may, the City further covenants and agrees that, so long as any of the Certificates, or any interest thereon, are Outstanding, no franchise shall be granted for the installation or operation of any competing utility systems other than those owned by the City, and the operation of any such systems by anyone other than the City is hereby prohibited; and

F. it will require mandatory use of the System by the residents of the City and that it shall enforce this obligation pursuant to all available remedies pursuant to the then applicable laws of the State of Texas.

SECTION 23: Application of the Covenants and Agreements of any Additional Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations, and Additional Limited Pledge Obligations. It is the intention of the City Commission and accordingly hereby recognized and stipulated that the provisions, agreements, and covenants contained herein bearing upon the management and operations of the System, and the administration and application of Gross Revenues derived from the operation thereof, shall to the extent possible be harmonized with like provisions, agreements, and covenants contained in the ordinances authorizing the issuance of the currently outstanding Prior Lien Obligations and any Additional Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations, or any Additional Limited Pledge Obligations hereafter issued by the City, and to the extent of any irreconcilable conflict between the provisions contained herein and in the ordinances authorizing the issuance of the currently outstanding Prior Lien Obligations and any Additional Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations hereafter issued by the City, the provisions, agreements and covenants contained therein (to the extent they are not in conflict with the Loan Resolution and Letter of Conditions relating to the Certificates) shall prevail to the extent of such conflict and be applicable to this Ordinance, especially the priority of rights and benefits conferred thereby to the Holders of the currently outstanding Prior Lien Obligations and any Additional Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations hereafter issued by the City. Prior to the issuance any Additional Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations, or Additional Limited Pledge Obligations, the City must satisfy any conditions precedent established by law and each of the conditions precedent contained in the ordinance authorizing the issuance of the currently outstanding Prior Lien Obligations and the Certificates.

SECTION 24: Notices to Holders; Waiver. Wherever this Ordinance provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and sent by United States mail, first-class postage prepaid, to the address of each Holder as it appears in the Security Register.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect, except that such provision shall not apply to the United States of America, the sufficiency of such notice

with respect to all other Holders. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 25: Cancellation. All Certificates surrendered for payment, redemption, transfer, exchange, or replacement, if surrendered to the Paying Agent/Registrar, shall be promptly canceled by it and, if surrendered to the City, shall be delivered to the Paying Agent/Registrar and, if not already canceled, shall be promptly canceled by the Paying Agent/Registrar. The City may at any time deliver to the Paying Agent/Registrar for cancellation any Certificates previously certified or registered and delivered which the City may have acquired in accordance with the provisions of this Ordinance, and all Certificates so delivered shall be promptly canceled by the Paying Agent/Registrar. All canceled Certificates held by the Paying Agent/Registrar shall be destroyed as directed by the City.

SECTION 26: Mutilated, Destroyed, Lost, and Stolen Certificates. If (1) any mutilated Certificate is surrendered to the Paying Agent/Registrar, or the City and the Paying Agent/Registrar receive evidence to their satisfaction of the destruction, loss, or theft of any Certificate, and (2) there is delivered to the City and the Paying Agent/Registrar such security or indemnity as may be required (except that the United States of America, to the extent permitted by law, shall not be required to provide any security or indemnity) to save each of them harmless, then, in the absence of notice to the City or the Paying Agent/Registrar that such Certificate has been acquired by a bona fide purchaser, the City shall execute and, upon its request, the Paying Agent/Registrar shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Certificate, a new Certificate of the same Stated Maturity and interest rate and of like tenor and principal amount, bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost, or stolen Certificate has become or is about to become due and payable, the City in its discretion may, instead of issuing a new Certificate, pay such Certificate.

Upon the issuance of any new Certificate or payment in lieu thereof, under this Section, the City may require payment by the Holder of a sum sufficient to cover any tax or other governmental charge imposed in relation thereto and any other expenses and charges (including attorney's fees and the fees and expenses of the Paying Agent/Registrar) connected therewith.

Every new Certificate issued pursuant to this Section in lieu of any mutilated, destroyed, lost, or stolen Certificate shall constitute a replacement of the prior obligation of the City, whether or not the mutilated, destroyed, lost, or stolen Certificate shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Certificates.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost, or stolen Certificates.

SECTION 27: Sale of the Certificates - Use of Proceeds. The sale of the Certificates to the United States of America (the *Purchasers* and having all the rights, benefits, and obligations of a Holder) at the price of par is hereby confirmed. Delivery of the Certificates shall be made to the Purchasers as soon as practicable after the adoption of this Ordinance, upon payment therefor in accordance with the terms of sale.

Proceeds from the sale of the Certificates shall be applied as follows:

A. Accrued interest, if any, received from the Purchasers shall be deposited into the Certificate Fund.

B. The balance of the proceeds derived from the sale of the Certificates (after paying costs of issuance) shall be deposited into the special construction account or accounts created for the projects to be constructed with the proceeds of the Certificates. This special construction account shall be established and maintained at the Depository and shall be invested in accordance with the provisions of Section 10 of this Ordinance. Interest earned on the proceeds of the Certificates pending completion of construction of the projects financed with such proceeds shall be accounted for, maintained, deposited, and expended as permitted by the provisions of Chapter 1201, as amended, Texas Government Code, or as required by any other applicable law. Thereafter, such amounts shall be expended in accordance with Section 14 of this Ordinance.

SECTION 28: Covenants to Maintain Tax-Exempt Status.

A. Definitions. When used in this Section, the following terms have the following meanings:

*Code* means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

*Computation Date* has the meaning set forth in Section 1.148-1(b) of the Regulations.

*Gross Proceeds* means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Certificates.

*Investment* has the meaning set forth in Section 1.148-1(b) of the Regulations.

*Nonpurpose Investment* means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Certificates are invested and which is not acquired to carry out the governmental purposes of the Certificates.

*Rebate Amount* has the meaning set forth in Section 1.148-1(b) of the Regulations.

*Regulations* means any proposed, temporary, or final Income Tax Regulations issued pursuant to sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Certificates. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

*Yield of*

(1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and

(2) the Certificates has the meaning set forth in Section 1.148-4 of the Regulations.

B. Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Certificate to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Certificate, the City shall comply with each of the specific covenants in this Section.

C. No Private Use or Private Payments. Except to the extent that it will cause the Certificates to become "private activity bonds" within the meaning of section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Certificates:

(1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Certificates, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Certificates or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general

application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

D. No Private Loan. Except as would not cause the Certificates to become “private activity bonds” within the meaning of section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Certificates to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

E. Not to Invest at Higher Yield. Except as would not cause the Certificates to become “arbitrage bonds” within the meaning of section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Certificates directly or indirectly invest Gross Proceeds in any Investment, if as a result of such investment the Yield of any Investment acquired with Gross Proceeds, whether then held or previously disposed of, materially exceeds the Yield of the Certificates.

F. Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Certificates to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

G. Information Report. The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

H. Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(1) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last Outstanding Certificate is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Certificates with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its

official transcript of proceedings relating to the issuance of the Certificates until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Certificates by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States out of the Certificate Fund or its general fund, as permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the amount that when added to the future value of previous rebate payments made for the Certificates equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

I. Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Certificates, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection H of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Certificates not been relevant to either party.

J. Certificates Not Hedge Bonds.

(1) The City reasonably expects to spend at least 85% of the spendable proceeds of the Certificates within three years after such Certificates are issued.

(2) Not more than 50% of the proceeds of the Certificates will be invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more.

K. Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Administrator, City Secretary, or City Attorney, either or any combination of them, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Certificates, in the Certificate as to Tax

Exemption or similar or other appropriate certificate, form or document. Such elections shall be deemed to be made on the Closing Date.

L. Qualified Tax-Exempt Obligations. The City hereby designates the Certificates as *qualified tax-exempt obligations* for purposes of section 265(b) of the Code. In furtherance of such designation, the City represents, covenants and warrants the following: (a) during the calendar year in which the Certificates are issued, the City (including any subordinate entities) has not designated nor will designate obligations, which when aggregated with the Certificates, will result in more than \$10,000,000 of “qualified tax-exempt obligations” being issued; (b) the City reasonably anticipates that the amount of tax-exempt obligations issued during the calendar year 2012 by the City (including any subordinate entities) will not exceed \$10,000,000; and (c) the City will take such action or refrain from such action as is necessary in order that the Certificates will not be considered “private activity bonds” within the meaning of section 141 of the Code.

SECTION 29: Control and Custody of Certificates. The Mayor of the City shall be and is hereby authorized to take and have charge of all necessary orders and records pending investigation by the Attorney General of the State of Texas and shall take and have charge and control of the Certificates pending their approval by the Attorney General, the registration thereof by the Comptroller of Public Accounts and the delivery of the Certificates to the Purchasers.

Furthermore, the Mayor, Mayor Pro Tem, City Administrator, City Secretary, or City Attorney, either or all, are hereby authorized and directed to furnish and execute such documents relating to the City and its financial affairs as may be necessary for the issuance of the Certificates, the approval of the Attorney General and their registration by the Comptroller of Public Accounts and, together with the City’s financial advisor, bond counsel, and the Paying Agent/Registrar, make the necessary arrangements for the delivery of the Initial Certificate to the Purchasers and the initial exchange thereof for definitive Certificates.

SECTION 30: Printed Opinion. The Purchasers’ obligation to accept delivery of the Certificates is subject to their being furnished a final opinion of Fulbright & Jaworski L.L.P., as Bond Counsel, approving certain legal matters as to the Certificates, said opinion to be dated and delivered as of the date of initial delivery and payment for such Certificates. Printing of a true and correct copy of said opinion on the reverse side of each of said Certificates, with appropriate certificate pertaining thereto executed by facsimile signature of the City Secretary of the City is hereby approved and authorized.

SECTION 31: CUSIP Numbers. CUSIP numbers, if any, may be printed or typed on the definitive Certificates. It is expressly provided, however, that the presence or absence of CUSIP numbers on the definitive Certificates shall be of no significance or effect as regards the legality thereof, and neither the City nor bond counsel are to be held responsible for CUSIP numbers incorrectly printed or typed on the definitive Certificates.

SECTION 32: Effect of Headings. The Section headings herein are for convenience only and shall not affect the construction hereof.

SECTION 33: Ordinance a Contract; Amendments - Outstanding Certificates. The City acknowledges that the covenants and obligations of the City herein contained are a material inducement to the purchase of the Certificates. This Ordinance shall constitute a contract with the Holders from time to time, binding on the City and its successors and assigns, and it shall not be amended or repealed by the City so long as any Certificate remains Outstanding except as permitted in this Section. While the United States of America is the Holder of the Certificates, the City may not make any amendments without the consent of the authorized representative of the Rural Housing Service. The City may, without the consent of or notice to any Holders, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the Holders, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, the City may, with the written consent of Holders holding a majority in aggregate principal amount of the Certificates then Outstanding affected thereby, amend, add to, or rescind any of the provisions of this Ordinance; provided that, without the consent of all Holders of Outstanding Certificates, no such amendment, addition, or rescission shall (1) extend the time or times of payment of the principal of and interest on the Certificates, reduce the principal amount thereof or the rate of interest thereon, or in any other way modify the terms of payment of the principal of or interest on the Certificates, (2) give any preference to any Certificate over any other Certificate, or (3) reduce the aggregate principal amount of Certificates required for consent to any such amendment, addition, or rescission.

SECTION 34: Benefits of Ordinance. Nothing in this Ordinance, expressed or implied, is intended or shall be construed to confer upon any person other than the City, bond counsel, Paying Agent/Registrar, and the Holders, any right, remedy, or claim, legal or equitable, under or by reason of this Ordinance or any provision hereof, this Ordinance and all its provisions being intended to be and being for the sole and exclusive benefit of the City, bond counsel, Paying Agent/Registrar, and the Holders.

SECTION 35: Inconsistent Provisions. All ordinances and resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Ordinance are hereby repealed to the extent of such conflict, and the provisions of this Ordinance shall be and remain controlling as to the matters ordained herein.

SECTION 36: Governing Law. This Ordinance shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 37: Severability. If any provision of this Ordinance or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Ordinance and the application of such provision to other persons and circumstances shall nevertheless be valid, and the City Commission hereby declares that this Ordinance would have been enacted without such invalid provision.

SECTION 38: Construction of Terms. If appropriate in the context of this Ordinance, words of the singular number shall be considered to include the plural, words of the plural number shall be considered to include the singular, and words of the masculine, feminine or neuter gender shall be considered to include the other genders.

SECTION 39: Incorporation of Preamble Recitals. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Ordinance for all purposes and are adopted as a part of the judgment and findings of the City Commission of the City.

SECTION 40: Authorization of Paying Agent/Registrar Agreement. The City Commission of the City hereby finds and determines that it is in the best interest of the City to authorize the execution of a Paying Agent/Registrar Agreement concerning the payment, exchange, and transferability of the Certificates. A copy of the Paying Agent/Registrar Agreement is attached hereto, in substantially final form, as Exhibit A and is incorporated by reference to the provisions of this Ordinance.

SECTION 41: Authorization of Escrow Agreement. The Mayor and/or the City Administrator or their designee, is authorized to execute the Escrow Agreement as the act and deed of the City.
